welcome

imagine yourself

Imagine yourself experiencing the diversity of the body of Christ.

During a summer at camp, you will work with kids from ages six to 18.

You will also have the opportunity to work with campers from the Turtle Mountain Indian Reservation.

Your life won't be the same after your experiences with your Voyageur campers, adults with developmental and physical disabilities.

Imagine yourself experiencing adventure anchored in Christ.

Campers' faith is grown through worship, S.W.A.T. (Bible study) and especially through their relationships with their counselors, Christian mentors.

Your participation in your campers' "cloud of witnesses" will be a milestone in your own faith journey.

You need not be Lutheran to work at Camp Metigoshe, but the theology on which we base our programs is Lutheran.

Imagine yourself sheltered by an aspen forest & splashing in Pelican Lake.

Camp Metigoshe is an intentionally rustic camp. We purposefully choose to light our cabins with lanterns, use outhouses, and sweat out the dirt and grime in the sauna.

We're 90 miles from Minot, North Dakota, home of the ND State Fair, keeper of the foot-long corndog. We're 15 miles from Bottineau, home of Pamida, keeper of the toothpaste. We're 10 miles from Canada, home of the Canadians, keeper of the Loonies.

Imagine yourself working where play is prayer.

Our staff of 50 creates its own fun! Counselors sign a contract prohibiting the use of alcohol and limiting the use of tobacco while on staff.

If you don't have a good work ethic, it's something you will learn very quickly at camp! Camp is hard work!

There's lots of playing to be done, dishes to be washed, toilets to be cleaned, grass to be mowed, and stuff to be painted.

Imagine yourself laughing so hard the tears roll.

In the midst of all the work, you will find yourself encouraged by a strong staff community that shares the work of this ministry.

We take very seriously that "no one's work is done until everyone's work is done."

Imagine yourself at a place where creativity & silliness are prized values.

Counselors participate in planning each day's unique program.

Counselors have planned Metigoshe marathons, sky-diving expeditions, and whaling in Pelican Lake.

You might just have to come and experience it to understand it!

Imagine yourself at a place where Psalm 92 comes alive:

"It is good to give thanks to the Lord, to sing praises to the Most High. It is good to proclaim your unfailing love in the morning, your faithfulness in the evening, accompanied by the harp and lute and the harmony of the lyre. You thrill me, Lord, with all you have done for me! I sing for joy because of what you have done."

Music is an important part of Camp Metigoshe. We welcome sopranos, baritones, and monotones. Each week, it is music that brings our staff together.

There's no way around it—working at Camp Metigoshe is hard work. The schedule is very intense. However, you will build life-long relationships with fellow staff members & campers and develop important life-skills that you will use for the rest of your life.
